

- 
- Identify a private, quiet, well-lit space where you can complete the interview by yourself, free of potential distractions, and where you can control the background noise. Avoid open spaces so you have control over the background noise.
  - Avoid having light sources directly behind you because they will cast a shadow on you. Instead, make sure a light source is in front of you so your interviewers can see you clearly.
  - Consider the background you will have during the interview and try to keep it neat and free of distraction.

Test your microphone and camera to make sure they are working well.  
Position your camera at eye level so that you look directly at your interviewers.  
Close all other programs on your device so that no alerts, notifications, or other electronic distractions distract you.

- Your interview day experience will start in a main room as we check you in.
- The host will invite all interviewees into a breakout room for a welcome and details on what to expect.
  - Just click "Join Breakout Room" when the messages appear
