Dear Dr. Farias Eisner

At its Annual Meeting on June 15-18, 2022, the Accreditation Council on Optometric Education (ACOE) considered the report of the March 7-9, 2022, on-site evaluation visit to the professional optometric degree program at the Western University of Health Sciences College of Optometry. The Council voted to accept the body of the report and to adopt the Council's Summary, the suggestions appended to the report, and the summary of compliance regarding the disposition of the Standards. Further, the Council voted the program's classification of "Accredited" be continued. The classification "Accredited" indicates that the program generally meets the ACOE standards for accreditation. This classification indicates that the program has no deficiencies or weaknesses that

For more information on the policies, procedures and standards of the ACOE, the program encouraged to review information published on the ACOE's website, [www.theACOE.org](http://www.theACOE.org). The Council welcomes input on its policies, procedures and standards and invites to contact Stephanie Puljak, ACOE Director at [spuljak@aoa.org](mailto:spuljak@aoa.org) with questions, concerns or suggestions.

Sincerely,

A handwritten signature in black ink that reads "Stephanie S. Messner". The signature is written in a cursive style with a large, looped "S" at the end.
