

Zoom Interview Instructions

Identify a Quiet Location

- Identify a private, quiet, well-lit space where you can complete the interview by yourself, free of potential distractions, and where you can speak freely. Avoid open spaces so you have control over the background noise.
- Avoid having light sources directly behind you because they will cast a shadow on you. Instead, make sure a light source is in front of you so the interviewers can see you clearly.
- Consider the background you will use during your
