## 2016 IRE Customer Satisfaction Survey Results!

Like other units on campus, the use of an evaluration important information to help us serve you better. In October, we invited facultainstation from Pomona and Lebanon to complete the 2016 IRE Customer Satisfaction surveys rate=23.8%, N=291). All responses were anonymous and no incentive was provided. Weesupaeticipants on various topics including but not limited to our website, newsletter, surveys, and out her services. We are grateful to everyone who participated. Based on your feedbackahersome of the changes that will occur:

- IRE Department site will create a lishout we do to better communicate our services.
- IRE Academic Outcomes site will explants to also include program data.
- Charts will include footnotes to indicate where a data tained and names of collapsed categories (when applicable) and if anyone was removed life chart (e.g., not applicable responses).
- Tables will include both response and choice counts per question.

The chart below shows that we have made **impdove**ments since 2012 in all Survey areas except for**asked relevant questions** We just started meeting with programs and departments to work on ir proving our surveys. If you are interested in meeting, contact <u>leliacyh@westernu.edu</u> For more results from the IRECOMPER Satisfaction Survey go. here

Note: The data series categories represent the categories are satisfied and the series of the series
