## **OSTEOPATHIC PLEDGE OF COMMITMENT**

As members of the osteopathic medical profession, in an effort to instill loyalty and strengthen the profession, we recall the tenets on which this profession is founded – the dynamic interaction of mind, body and spirit; the body's ability to heal itself; the primary role of the musculoskeletal system; and preventive medicine as the key to maintain health. We recognize the work our predecessors have accomplished in building the profession, and we commit ourselves to continuing that work.

I pledge to:

Provide compassionate, quality care to my patients;
Partner with them to promote health;
Display integrity and professionalism throughout my career;
Advance the philosophy, practice and science of osteopathic medicine;
Continue life-long learning;
Support my profession with loyalty in action, word and deed; and
Live each day as an example of what an osteopathic physician should be.
